Carry on crossword puzzle answers

Crossword puzzles are a traditional part of many daily newspapers. Since 1913, when Arthur Wynne published the first crossword puzzle in the New York World, puzzlers around the world have been delighted with these head-scratching games [Source: Brief History of Crossword Puzzles]. And there's more to crossword puzzles than fun; Some studies have shown that regular solving of puzzles such as crossword puzzles or Sudoku can help improve your memory, and can even reduce mental decline in older people [Source: Christie]. Crosswords are also a great way to improve your vocabulary and general knowledge. Some crossword puzzles are simple, but some are definitely not. The New York Times' famous Sunday crossword puzzle is one of the hardest out there, and it's not for the faint-hearted. But don't despair -- there are many tricks out there that can help you turn them into a puzzle master. Remember, the harder the puzzle, the more satisfying it is when you fill in the last square. Ready to dive in? Read on for the top 10 tips for solving crossword puzzles. Page 2 The correct alignment of the golf club and your hands is crucial. Once you've nailed it, you can work on other aspects of your game, sure that you'll be able to produce more consistent turns. Without them, accurate shots will be few and far in between. If your left hand grabs your racket properly, it should completely cover the end of the club. The wrist must be on the handle of the racket. You can have the most natural grip in the world, but if it's not aligned with the club's face, you won't get a good shot. Before you address the ball, look at the length of your club to make sure your grip and club area are in the right direction. This way, when you hold the racket, the face is square with the ball. [Source: LearnAboutGolf.com] If you grab your racket with your palms, your elbows will tell you. A correct golf grip leads to straight lines along the arms. If your elbows are bent, your palms do too much work, and your arms won't expand properly in your swing, which means less speed [Source: Easy2Technologies.com]. A note will always be written in the same part of the speech as the answer. Review notes that search for answers that end in S, ED, EST, or ING. Often these endings can be inserted with pencil (but not always). When you check the crossers of these responses, you can verify that the ending is true. If, for example, B both the Across and Down hints are plural for two answers that cross on the last letter, there is a possibility that letter S. Foreign words are directly identified: Friend. Fr. = AMI or indirectly friend, in France. Abbreviated answers are displayed directly: Whistlestop = STA or indirectly with an abbreviated word as part of the note, RR stop = STA. These cluing conventions are the accepted norm for American puzzles. Do you know the names of the elements from their symbols?.
